COMPANY PROFILE

Naturally Healthy

Ovijat Food and Beverage Industry Limited is an emerging and growing consumer brand in Bangladesh. Ovijat started its journey in 2005 with 100% export oriented operation. Ovijat producing 50+ food products in 8 to 10 categories delivering over 40 countries. Categories include Rice, Juices, Drinks, Bakery, Snacks, Spice, Oil, Biscuits & Confectionery.

Mr. Shamsul Haque, a visionary and talented business leader, started the food venture after his successful business portfolio of rice (Shamsul haque Auto Rice Mills (Pvt.) Ltd.). And his desire is to create quality and hygiene food to ensure a healthier life for people around the world.

The growth was considered a major achievement of Mr. Shamsul Haque. His eldest son, Mr. Mostafizur Rahman, has now taken over the helm of the company as a Chairman to sustain his rising success and take him to the pinnacle of his dreams.

Mr. Mustafizur Rahman has excellent international and modern business experience with the background of American business education which will lead the company to continued success.

Ovijat Food has several international business hub around the world to provide clients with comfortable and optimal business support in the global market.

The company has received Halal, ISO and HACCP certification for its management and factories to ensure international standard. Now, Ovijat has strong deep-rooted trade alliances with its Asian retail partners. The elite is constantly increasing demand in the Middle East, Europe, Africa and the United States through product quality assurance and growing reputation.
